

L PRESS RELEASE**TSA Pre✓[®] and TWIC Programs to Be Offered at Virginia DMV****Richmond, VA and Billerica, Mass. – July 21, 2016***Virginia is the First State to Partner with MorphoTrust USA to Offer Enrollment Programs Directly in Select DMV Locations*

The Virginia Department of Motor Vehicles (DMV) and MorphoTrust USA announced today a first-of-its-kind partnership to include enrollment services at 10 DMV locations in Virginia. The services will initially include: TSA Pre✓[®] enrollment, which allows U.S. citizens to enjoy expedited security screenings within American airports, and Transportation Worker Identification Credential (TWIC), which is required by the Maritime Transportation Security Act for workers who need access to secure areas of the nation's maritime facilities and vessels.

“Virginia DMV already partners with several state agencies to offer our customers certified copies of birth certificates, hunting and fishing licenses and more. This new partnership with TSA’s contractor MorphoTrust allows us to bring yet another highly sought-after service into DMV customer service centers so Virginians can obtain TWIC and TSA Pre✓[®] credentials conveniently and efficiently,” DMV Commissioner Richard Holcomb said.

The contract that was signed this week includes setting up enrollment centers in nine DMV locations by the end of the year and a tenth office next year.

“We are excited to partner with the Virginia Department of Motor Vehicles to bring important enrollment services to the citizens of the Commonwealth,” said Bob Eckel, CEO of MorphoTrust. *“As the first state to sign-on to offer TSA Pre✓[®] and TWIC directly in their DMVs, Virginia’s innovative decision to create one-stop-shop offices allows them to better meet the needs of their citizens.”*

TSA Pre✓[®]

TSA Pre✓[®] is an expedited security screening program that connects travelers departing from more than 150 U.S. airports with smarter security and a more convenient travel experience. TSA Pre✓[®] travelers do not need to remove shoes, laptops, liquids, belts or light jackets at security checkpoints. TSA Pre✓[®] helps take the stress out of travel for more than two million travelers who have enrolled in the program.

TWIC

With nearly ten percent of state’s resident workforce linked to the Port of Virginia activity, the TWIC program is an important service to offer at Virginia DMV. The TWIC program provides a tamper-resistant biometric credential to maritime workers requiring unescorted

access to secure areas of port facilities, outer continental shelf facilities, and vessels regulated under the Maritime Transportation Security Act of 2002, or MTSA, and all U.S. Coast Guard credentialed merchant mariners. To obtain a TWIC, an individual must provide biographic and biometric information such as fingerprints, sit for a digital photograph and successfully pass a security threat assessment conducted by TSA.

Safran is a leading international high-technology group with three core businesses: Aerospace (propulsion and equipment), Defense and Security. Operating worldwide, the Group has 70,000 employees and generated sales of 17.4 billion euros in 2015. Safran is listed on Euronext Paris and is part of the CAC40 index, as well as the Euro Stoxx 50 European index.

MorphoTrust USA (Safran) is The Identity Company, providing market-leading solutions and services to commercial businesses and government agencies that enable trusted transactions – in person or online – whenever identity matters. This includes enrollment, with the secure capture and transmission of biometric and biographic data; verifying identity through biometric identification, document authentication and validation of data against trusted sources; and issuing secure credentials or permissions to access a range of benefits and services. MorphoTrust solutions produce the majority of U.S. driver's licenses and IDs – the most trusted document for establishing identity. Other government programs include U.S. passports and passport cards, as well as solutions for border management, public safety, banking and travel. MorphoTrust serves consumers through a nationwide network of 1100 IdentoGO® Centers, delivering fingerprinting and other identity-related services to over 4.5 million customers annually..
